306 Broad Street
Durham NC 27705-3533

Fax: 919-416-1131
Re: North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements

Attention: Andre Laws

Crowder Construction Company is preparing a bid for the North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements project in Durham, NC. We have broken down or combined elements of work into economically feasible units in order to facilitate Small Disadvantaged Business Enterprise (SDBE) participation. Small Disadvantaged Business Enterprises and all others are encouraged to participate in the bid process for the following:

SCOPES OF WORK (including, but not limited to): abatement, carpentry, clearing & grubbing, concrete, crane rental/rigging, demolition, doors/windows, earthwork, electrical, erosion control, fencing, formwork, grading, hauling, HVAC, insulation, landscaping, masonry, metals/fabrication, painting, paving, plumbing, power washing, rebar/tying, roofing, signage, sludge removal, storm, and surveying

Bid Proposals will be received by Crowder Construction Company at the following address:

Crowder Construction Company
1111 Burma Drive
Apex, North Carolina 27539
Telephone: (919) 367-2000; Direct Fax Estimating: (919) 367-2097
Contact: Tim Heule
Bid Date: January 16, 2014 2:00 PM

Please be advised the above bid date and time is the deadline for the General Contractor's bid. We encourage you to provide us your quote at least 24 hours prior to this date and time so that we can clearly understand and evaluate your bid to us. We request SDBE companies to include a copy of their SDBE certificate with their quote.

Plan Locations: Complete sets of bidding documents may be inspected at the following locations: AGC, Raleigh, Greensboro, & Charlotte, NC; City of Durham, Durham, NC; McGraw Hill Dodge online; Hispanic Contractors Association of the Carolinas, Raleigh, NC; Raleigh-Durham Minority Business Development Center, Durham, NC; and Hazen and Sawyer, Raleigh, NC. Plans and specifications may also be viewed at Crowder Construction Company at the address listed above or downloaded at Crowder's FTP website.

Re: North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements

Attention: Andre Bond

Crowder Construction Company is preparing a bid for the North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements project in Durham, NC. We have broken down or combined elements of work into economically feasible units in order to facilitate Small Disadvantaged Business Enterprise (SDBE) participation. Small Disadvantaged Business Enterprises and all others are encouraged to participate in the bid process for the following:

SCOPES OF WORK (including, but not limited to): abatement, carpentry, clearing & grubbing, concrete, crane rental/rigging, demolition, doors/windows, earthwork, electrical, erosion control, fencing, formwork, grading, hauling, HVAC, insulation, landscaping, masonry, metals/fabrication, painting, paving, plumbing, power washing, rebar/tying, roofing, signage, sludge removal, storm, and surveying

Bid Proposals will be received by Crowder Construction Company at the following address:

Crowder Construction Company
1111 Burma Drive
Apex, North Carolina 27539
Telephone: (919) 367-2000; Direct Fax Estimating: (919) 367-2097
Contact: Tim Heule
Bid Date: January 16, 2014 2:00 PM

Please be advised the above bid date and time is the deadline for the General Contractor's bid. We encourage you to provide us your quote at least 24 hours prior to this date and time so that we can clearly understand and evaluate your bid to us. We request SDBE companies to include a copy of their SDBE certificate with their quote.

Plan Locations: Complete sets of bidding documents may be inspected at the following locations: AGC, Raleigh, Greensboro, & Charlotte, NC; City of Durham, Durham, NC; McGraw Hill Dodge online; Hispanic Contractors Association of the Carolinas, Raleigh, NC; Raleigh-Durham Minority Business Development Center, Durham, NC; and Hazen and Sawyer, Raleigh, NC. Plans and specifications may also be viewed at Crowder Construction Company at the address listed above or downloaded at Crowder's FTP website.

Fax: (704)422-6607
Re: North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements

Attention: Christopher Carrothers

Crowder Construction Company is preparing a bid for the North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements project in Durham, NC. We have broken down or combined elements of work into economically feasible units in order to facilitate Small Disadvantaged Business Enterprise (SDBE) participation. Small Disadvantaged Business Enterprises and all others are encouraged to participate in the bid process for the following:

SCOPES OF WORK (including, but not limited to): abatement, carpentry, clearing & grubbing, concrete, crane rental/rigging, demolition, doors/windows, earthwork, electrical, erosion control, fencing, formwork, grading, hauling, HVAC, insulation, landscaping, masonry, metals/fabrication, painting, paving, plumbing, power washing, rebar/tying, roofing, signage, sludge removal, storm, and surveying

Bid Proposals will be received by Crowder Construction Company at the following address:

Crowder Construction Company
1111 Burma Drive
Apex, North Carolina 27539
Telephone: (919) 367-2000; Direct Fax Estimating: (919) 367-2097
Contact: Tim Heule
Bid Date: January 16, 2014 2:00 PM

Please be advised the above bid date and time is the deadline for the General Contractor's bid. We encourage you to provide us your quote at least 24 hours prior to this date and time so that we can clearly understand and evaluate your bid to us. We request SDBE companies to include a copy of their SDBE certificate with their quote.

Plan Locations: Complete sets of bidding documents may be inspected at the following locations: AGC, Raleigh, Greensboro, & Charlotte, NC; City of Durham, Durham, NC; McGraw Hill Dodge online; Hispanic Contractors Association of the Carolinas, Raleigh, NC; Raleigh-Durham Minority Business Development Center, Durham, NC; and Hazen and Sawyer, Raleigh, NC. Plans and specifications may also be viewed at Crowder Construction Company at the address listed above or downloaded at Crowder's FTP website.

Re: North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements

Attention: Maha Chambliss

Crowder Construction Company is preparing a bid for the North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements project in Durham, NC. We have broken down or combined elements of work into economically feasible units in order to facilitate Small Disadvantaged Business Enterprise (SDBE) participation. Small Disadvantaged Business Enterprises and all others are encouraged to participate in the bid process for the following:

SCOPES OF WORK (including, but not limited to): abatement, carpentry, clearing & grubbing, concrete, crane rental/rigging, demolition, doors/windows, earthwork, electrical, erosion control, fencing, formwork, grading, hauling, HVAC, insulation, landscaping, masonry, metals/fabrication, painting, paving, plumbing, power washing, rebar/tying, roofing, signage, sludge removal, storm, and surveying

Bid Proposals will be received by Crowder Construction Company at the following address:

Crowder Construction Company
1111 Burma Drive
Apex, North Carolina 27539
Telephone: (919) 367-2000; Direct Fax Estimating: (919) 367-2097
Contact: Tim Heule
Bid Date: January 16, 2014 2:00 PM

Please be advised the above bid date and time is the deadline for the General Contractor's bid. We encourage you to provide us your quote at least 24 hours prior to this date and time so that we can clearly understand and evaluate your bid to us. We request SDBE companies to include a copy of their SDBE certificate with their quote.

Plan Locations: Complete sets of bidding documents may be inspected at the following locations: AGC, Raleigh, Greensboro, & Charlotte, NC; City of Durham, Durham, NC; McGraw Hill Dodge online; Hispanic Contractors Association of the Carolinas, Raleigh, NC; Raleigh-Durham Minority Business Development Center, Durham, NC; and Hazen and Sawyer, Raleigh, NC. Plans and specifications may also be viewed at Crowder Construction Company at the address listed above or downloaded at Crowder's FTP website.

Re: North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements

Attention: David Hinton

Crowder Construction Company is preparing a bid for the North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements project in Durham, NC. We have broken down or combined elements of work into economically feasible units in order to facilitate Small Disadvantaged Business Enterprise (SDBE) participation. Small Disadvantaged Business Enterprises and all others are encouraged to participate in the bid process for the following:

SCOPES OF WORK (including, but not limited to): abatement, carpentry, clearing & grubbing, concrete, crane rental/rigging, demolition, doors/windows, earthwork, electrical, erosion control, fencing, formwork, grading, hauling, HVAC, insulation, landscaping, masonry, metals/fabrication, painting, paving, plumbing, power washing, rebar/tying, roofing, signage, sludge removal, storm, and surveying

Bid Proposals will be received by Crowder Construction Company at the following address:

Crowder Construction Company
1111 Burma Drive
Apex, North Carolina 27539
Telephone: (919) 367-2000; Direct Fax Estimating: (919) 367-2097
Contact: Tim Heule
Bid Date: January 16, 2014 2:00 PM

Please be advised the above bid date and time is the deadline for the General Contractor's bid. We encourage you to provide us your quote at least 24 hours prior to this date and time so that we can clearly understand and evaluate your bid to us. We request SDBE companies to include a copy of their SDBE certificate with their quote.

Plan Locations: Complete sets of bidding documents may be inspected at the following locations: AGC, Raleigh, Greensboro, & Charlotte, NC; City of Durham, Durham, NC; McGraw Hill Dodge online; Hispanic Contractors Association of the Carolinas, Raleigh, NC; Raleigh-Durham Minority Business Development Center, Durham, NC; and Hazen and Sawyer, Raleigh, NC. Plans and specifications may also be viewed at Crowder Construction Company at the address listed above or downloaded at Crowder's FTP website.

AFFIRMATIVE ACTION PLAN FOR EQUAL EMPLOYMENT OPPORTUNITY (EEO)

It is the continuing policy of Crowder to employ and advance qualified, reliable and productive employees without regard to race, color, religion, sex, marital status, age, genetic information, national origin, veteran status and mental or physical disability.

2014 Affirmative Action Plan (AAP) 'or Equal Employment Opportunity (EEO)

This Affirmative Action Plan (AAP) is in force for all Companies and Divisions operating under Crowder Constructors Inc.

It is the continuing policy of Crowder to employ and advance qualified, reliable and productive employees without regard to race, color, religion, sex, marital status, age, genetic information, national origin, veteran status and mental or physical disability, and will conform to the spirit as well as the letter of all applicable laws and regulations. In order to implement this policy, Crowder hereby adopts the following Affirmative Action Plan.

Crowder will comply with all applicable provisions of Executive Order 11246 and amendments regarding Equal Employment Opportunity, including but not limited to:

1. All Superintendents, Foremen and any other managers responsible for supervising and/or hiring employees will read and be familiar with this Affirmative Action Plan, and will attend annual training on preventing discrimination and harassment in the workplace. *Note: Superintendents will have the overall responsibility for carrying out Company EEO policies and this Affirmative Action Plan at their respective job sites.*
2. All members of management and supervisors will comply with Crowder's Affirmative Action Plan policy of nondiscrimination, equal employment opportunity and reasonable accommodation.
3. All employees are expected to conduct themselves in a manner that is not offensive as to race, color, religion, sex, marital status, age, genetic information, national origin, veteran status and mental or physical disability.
4. Crowder will include the EEO Policy Statement in all Application Forms, Employee Handbooks and Bulletin Boards (updated three times annually) on display in areas highly visible to all employees.
5. The Company will assure that all facilities such as drinking fountains, restrooms, eating facilities, etc. located at the home office, division offices and jobsites are made available to all employees regardless of race, color, religion, sex, marital status, age, genetic information, national origin, veteran status and mental or physical disability.
6. Crowder will cooperate with all Federal, State or Local government agencies with the responsibility to observe our actual compliance with applicable laws relating to employment. We will allow access to or provide reports, records, and other relevant supporting data as requested in order to demonstrate our program of Equal Opportunity for all persons regardless of race, color, religion, sex, marital status, age, genetic information, national origin, veteran status and mental or physical disability.
7. Crowder has established a separate Affirmative Action Plan to employ and advance qualified Covered Veterans in accordance with VEVRAA (Vietnam Era Veterans' Readjustment Assistance Act of 1974) as well as any other Federal, State or Local Laws for qualified Covered Veterans. "Covered Veterans" includes Disabled Veterans, Other Protected Veterans, Armed Forces Service Medal Veterans and Recently Separated Veterans.
8. The Company will refrain from entering into any agreement with a contractor or subcontractor debarred from or who has not demonstrated eligibility for Direct Federal

- and/or Federally Assisted Construction Contracts per Executive Order 11246 and the American Recovery & Reinvestment Act (ARRA).
 9. The Company (at a jobsite / office level as applicable) will post all required job openings with the appropriate State Agency and minority/female recruitment resource, as well as maintain Applicant Flow Logs to ensure that all recruiting activities are carried out on a non-discriminatory basis. *Note: All advertisements and postings for employees will contain the phrase "An Equal Opportunity Employer" (M/F/V/D).*
 10. The Company will make its hiring policy and Equal Employment Opportunity Affirmative Action Plan(s) known to all subcontractors and require that they also comply with this policy. (See Subcontract Appendix 8 - EEO and Non-Segregated Facilities).
 11. The Company will conduct at least annually an inventory and evaluation of all employees (i.e. Career Builder), including minority and female employees, for developmental and promotional opportunities, and encourage these employees to seek or prepare for, through appropriate training, such opportunities.
 12. Crowder will afford reasonable accommodation that does not cause undue hardship to qualified applicants and employees with a known disability or for an employee's religious beliefs.
 13. Employees and applicants will not be subjected to harassment, intimidation, threats, coercion or discrimination because they have engaged in or may engage in filing a complaint, participating in an investigation, or opposing any action made unlawful by any Federal, State or Local Law(s).
 14. The decision to separate employment will not be influenced by an employee's race, color, religion, sex, marital status, age, genetic information, national origin, veteran status and mental or physical disability. All employment decisions will be based only on valid job requirements and demonstrated work performance. Any reductions of force due to lack of work will be based on both job performance and length of service, with length of service being the determining factor when the job performance of two or more employees are considered equal. Documentation of the reasons for such actions will be maintained.
 15. On no less than an annual basis, the Company will analyze wages and promotions to evaluate progress to Affirmative Action goals, and identify actions to correct any issues.
 16. Any complaint received through the **Employee Concern and Complaint Procedure** (or any other means) will be investigated in a timely manner, and swift, appropriate, corrective actions will be documented and implemented.
- Claudia Dodgen of the Charlotte, North Carolina corporate office has been designated Crowder's Equal Employment Opportunity Officer and has been charged with the responsibility of securing compliance with this plan and reporting to top management as to progress.

A copy of this plan, the "Federal 6-in-1 Labor Law Poster", and the appropriate State poster(s) will be displayed on the bulletin boards at the home office, company/division offices, and at all jobsites.

Otis A. Crowder, President

2014 Affirmative Action Plan (AAP) for Equal Employment Opportunity (EEO)

This Affirmative Action Plan (AAP) is in force for all companies and Divisions operating under Crowder Constructors Inc.

Crowder's Action Plan for compliance with the Technical Assistance Guide for Federal Construction Contractors

STEP #1

Contractors and subcontractors must maintain a work environment free of harassment, intimidation, and coercion at all sites and in all facilities at which the contractor's employees are assigned. (41 CFR 60-4.3(a)(7.a.)

CROWDER ACTION: Make sure work environments are free from harassment, intimidation, and coercion.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOB SITE ACTIONS
<ol style="list-style-type: none"> 1. Include the following core policies and procedures in the Employee Handbook (new Handbooks in effect August 2012): <ol style="list-style-type: none"> a. EEO / Affirmative Action Policy (pages 5-6); b. Anti-Harassment Policy (page 27); c. Employee Concern / Complaint Procedure (pg 28). 2. Remind all new employees of the importance of the three core policies above through a "Welcome To Crowder" letter from Otis Crowder (mailed to the address on file after first month of employment). 3. Produce, maintain, distribute (3 times annually) and display at all offices and jobsites a Bulletin Board package which features all key employment related postings including the EEO Policy, Anti-Harassment Policy, and Concern & Complaint Procedures. Include in the Bulletin Board Package an updated "Six-Step Meeting Guide" to assist managers in the consistent communication of our Company EEO Policy / Procedures to all employees. 4. At least once per year, provide and document EEO, Anti-Harassment, and Workforce Management training to all supervisors (and any employees wearing "White Hats" on a Crowder jobsite). 5. Remind employees of our Employee Concern and Complaint Procedure in each TAGLINE issue. 6. EEO Officer(s) will manage the complaint resolution process, and lead investigations that are conducted as a result of a complaint. Documentation will be maintained in corporate files of all investigation notes and actions taken. 	<ol style="list-style-type: none"> 1. Company/Division Safety Director (and Safety Team) will Post any Bulletin Board updates at each office and on every jobsite (3 times per year). 2. Company/Division management will ensure that <u>all</u> supervisors (anyone who leads or manages others, and any field employees wearing a "white hat") participate in the mandatory annual supervisory training process. 3. Company/Division management will ensure that all active employees attend Bulletin Board Meetings when they are conducted (3 times per year). Meeting Confirmation Sheets will be collected and sent to Corporate Services for the file. 4. Work with Corporate EEO Officer(s) as directed to resolve (and document) any issues through the Employee Concern and Complaint Procedure. 	<ol style="list-style-type: none"> 1. Ensure all Bulletin Boards are maintained with up-to-date postings at each office / jobsite. 2. Conduct Bulletin Board Meetings (using the "Six-Step Meeting Guide") with all active employees (scheduled 3 times per year). Document attendance and commitment on Meeting Confirmation Sheets and send to Division Office / Corporate Services for the file. 3. Discuss the EEO Policy, Anti-Harassment Policy and Employee Concern and Complaint Procedure with all new hires (using the Employee Handbook and the New Hire Orientation Checklist). 4. Working with the Corporate EEO Officer, utilize the Employee Concern & Complaint Procedure to resolve any issues as they occur.

2014 Affirmative Action Plan (AAP) for Equal Employment Opportunity (EEO)

This Affirmative Action Plan (AAP) is in force for all companies and Divisions operating under Crowder Constructors Inc.

STEP #2

Contractors and subcontractors must establish and maintain current lists of minority and female recruitment sources; provide written notification to minority and female recruitment sources and to community organizations when the contractor or its union have employment opportunities available; and maintain a record of the organizations' responses. (41 CFR 60-4.3(a)(7.b))

CROWDER ACTION: Keep current lists of minority and female recruitment sources for each hiring location.

CORPORATE SERVICES ACTIONS		COMPANY / DIVISION ACTIONS	JOB SITE ACTIONS
1. Assist Company / Division offices and Jobsites (upon request) in the determination of recruitment sources for each job location.	1. Maintain an updated recruitment source list for each job location. Sources may include Job Corps, Urban League, YWCA, National Association of Women in Construction, National Organization of Women, LULAC, Aspira, etc.	1. If hiring is done at a Jobsite level, utilize specified recruitment sources to ensure diverse outreach in accordance with Affirmative Action Plan goals.	1. If hiring is done at a Jobsite level, utilize specified recruitment sources to ensure diverse outreach in accordance with Affirmative Action Plan goals.
2. Provide training support at the time of job start up to ensure that AAP requirements are built into the employment / recruitment guidelines for each jobsite / project.	2. If hiring is coordinated at a Division level, utilize specified recruitment sources to ensure diverse outreach in accordance with Affirmative Action Plan goals.	2. Maintain documentation/copies of any job advertisements announcing employment opportunities and/or application procedures.	2. Maintain documentation of all outreach.

STEP #3

Contractors and subcontractors must maintain current files containing the names, addresses and telephone numbers of each minority or female off-the-street applicant and minority or female referral from a union, recruitment source or community organization and of what action was taken with respect to each individual. Occasionally, contractor/subcontractors will send individuals to the union hiring hall for referral back to the contractor. If the union did not refer the individual to the contractor or if the individual was referred but was not hired, the contractor/subcontractor must keep a record of all actions taken, along with the reasons why the referral or hiring did not occur. (41 CFR 60-4.3(a)(7.c.))

CROWDER ACTION: Maintain Applicant Flow Logs for applicants and referrals with corresponding disposition codes (Did you hire? If not, why not?)

CORPORATE SERVICES ACTIONS		COMPANY / DIVISION ACTIONS	JOB SITE ACTIONS
1. Develop (and update as needed) the Applicant Flow Process , and train (upon request) Division and Jobsites on the Procedures and requirements.	1. Collect and compile Applicant Flow Logs (or Expression of Interest logs as appropriate) and supporting documentation to track applicant activity.	1. Maintain Applicant Flow Logs (or Expression of Interest logs) to track applications as they are completed . Documentation to compile includes correspondence with recruitment resources, copies of job ads, and any other notes of contact with recruitment sources.	
2. At the end of each month, collect and review the Applicant Flow Logs completed across all companies.	2. Ensure Applicant Flow Logs are captured for all qualified openings on a daily basis.	2. Submit Applicant Flow Logs to Corporate Services at the end of each month (along with applications).	2. Compile Applicant Flow Logs <u>daily</u> .
3. Compile and analyze Applicant Flow data to ensure that Affirmative Action Plan goals are being met.	3. Submit Applicant Flow Logs to Corporate Services at the end of each month (along with applications).	3. Work with Corporate EEO Officer in response to any actions needed based on Applicant Flow analysis.	3. Submit Applicant Flow Logs to Division and/or Corporate Services at the end of each month.

2014 Affirmative Action Plan (AAP) for Equal Employment Opportunity (EEO)

This Affirmative Action Plan (AAP) is in force for all companies and Divisions operating under Crowder Constructors Inc.

STEP #4

Contractors and subcontractors must immediately notify the Deputy Assistant Secretary in writing when the union or unions with which the contractor/subcontractor has a collective bargaining agreement has not referred a woman or minority individual sent by the contractor/subcontractor. Similarly, contractors/subcontractors must notify OFCCP when the contractor/subcontractor has other information that the union referral process has impeded the contractor's efforts to meet its EEO and affirmative action obligations. (41 CFR 60-4.3(a)(7.d.)

CROWDER ACTION: Not applicable for Open Shop Contractors—

Notify OFCCP if union referral process impedes efforts to meet EEO/AA obligations.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
Crowder is a Pro-Employee / Open Shop contractor, and we are not bound to any actions in this Step.		

STEP #5

Contractors and subcontractors must develop on-the-job training opportunities or participate in training programs for the job area(s) which expressly include minorities and women. Contractors' actions must include upgrading programs, apprenticeships and trainee programs relevant to the contractor's employment needs, especially those programs approved by the Department of Labor. Contractors and subcontractors must provide notice of these training opportunities and job programs to recruitment sources, state employment offices and other referral sources that the contractor/subcontractor has compiled under Specification 2 above. (41 CFR 60-4.3(a)(7.e.)

CROWDER ACTION: Develop on-the-job training opportunities.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
Corporate actions include: 1. Manage Career Builder process to ensure all requested training is provided in a timely manner. 2. Collect / maintain documentation of all training events. 3. Maintain our Educational Assistance Benefit (EAB) by notifying eligible employees via letter to their home address as well as ongoing reminders through payroll inserts, bulletin boards or Tagline. Crowder Construction Company 1. Manage any active Electrical Apprenticeship Program (ELAP) . 2. Oversee the completion of all training requirements for the ELAP and document all training delivered.	Company-wide actions include: 1. Assist Corporate Services in the Career Builder process by supporting field management in the administration of the program. 2. Document all training that occurs at the division level through class sign-in sheets or OJT forms and forward documentation onto Corporate Services. 3. Ensure our Educational Assistance Benefit is understood and communicated by all managers. Aid employees in participating in the program by completing paperwork and forwarding to Corporate Services in a timely fashion. Crowder Construction Company 1. Ensure integrity of the Electrical Apprenticeship Program by providing training events as necessary forwarding all documentation to Corporate Services.	1. Participate in the Career Builder process by providing thorough feedback, training opportunities, and OJT in a timely manner. 2. Document all training events through a class roster or OJT forms and forward to Corporate Services. 3. Promote our Educational Assistance Benefit to all eligible employees. Aid employees in participating in the program by completing paperwork and forwarding to Corporate Services in a timely fashion. Crowder Construction Company 1. Provide all training as required by the Electrical Apprenticeship Program . Forward documentation of all training, including OJT, to corporate.

2014 Affirmative Action Plan (AAP) for Equal Employment Opportunity (EEO)

This Affirmative Action Plan (AAP) is in force for all companies and Divisions operating under Crowder Constructors Inc.

STEP #6

Contractors and subcontractors must disseminate EEO policies by:

- *Providing notice of the policies to unions and training programs and requesting their cooperation and assistance in meeting EEO obligations;*
- *Including EEO policy statements in all policy manuals and collective bargaining agreements;*
- *Publicizing these policies in company newsletters, the annual report, etc.;*
- *Specifically reviewing the policy with all management personnel and with all minority and female employees at least once a year; and,*
- *Posting the EEO Policy on bulletin boards accessible to all employees at each location where construction work is performed. (41 CFR 60-4.3(a)(7.f.))*

CROWDER ACTION: Disseminate EEO policies internally with all employees.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
<ol style="list-style-type: none">1. Maintain and publish Crowder's EEO Policy Statement and supporting procedures in all Employee Handbooks.2. Update Employee Handbooks as needed to remain current with all Federal, State and Local workplace rules and regulations.3. Include our EEO-related Policies in the Bulletin Board package to be posted at each jobsite and Division office. This package is updated and sent out 3 times annually for review by all employees.4. Collect and maintain documentation of receipt and review of the Employee Handbook as well as participation in or review of the Bulletin Board (including the Six-Step Meeting Outline, Bulletin Board Layout, and all Signatures of attendance).5. Publish Crowder's EEO Policy Statement in each issue of TAGLINE and on the Company Intranet / Internet websites. <p>Crowder Construction Company</p> <ol style="list-style-type: none">1. Collect and maintain documentation of review of EEO policies as noted in Electrical Apprenticeship Program.	<ol style="list-style-type: none">1. Ensure the most current edition of Employee Handbooks are provided to all new hires, and answer questions as necessary. Forward all documentation of review and receipt of Employee Handbooks to Corporate Services.2. Post Bulletin Board packages in the assigned area at each office. Hold meetings as required (3 times per year) and forward documentation of the meetings to Corporate Services. <p>Crowder Construction Company</p> <ol style="list-style-type: none">1. Assist jobsites in providing and collecting all Electrical Apprenticeship Program information covering EEO Policies.	<ol style="list-style-type: none">1. Provide the most current edition of Employee Handbooks to all new hires, and answer questions as necessary. Forward all documentation of review and receipt of Employee Handbooks to Corporate Services.2. Post Bulletin Board packages in the assigned area at each jobsite. Hold meetings as required (3 times per year) and forward documentation of the meetings to Corporate Services. <p>Crowder Construction Company</p> <ol style="list-style-type: none">1. Provide all Electrical Apprenticeship Program participants with the appropriate program information covering our EEO policies. Forward all signed documentation to Corporate Services.

2014 Affirmative Action Plan (AAP) for Equal Employment Opportunity (EEO)

This Affirmative Action Plan (AAP) is in force for all companies and Divisions operating under Crowder Constructors Inc.

STEP #7

At least once a year, contractors and subcontractors must review EEO policies and affirmative action obligations (under these specifications) with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions. These EEO policies and affirmative action obligations must be specifically reviewed with on-site supervisory personnel such as superintendents, general foremen, etc., prior to starting construction work at any job site. Contractor/subcontractor personnel must maintain records that identify the time and place of these meetings, persons attending, subject matter discussed and disposition of the subject matter. (41 CFR 60-4.3(a)7.g.)

CROWDER ACTION: Review EEO/AA obligations with those responsible for employment decisions.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
<ol style="list-style-type: none">Each year, the EEO Officer(s) develops the annual supervisory training program (referred to as White Hat Training), custom designed for ALL Crowder supervisors. The focus of this intensive 3 hour training program is the supervisor's responsibilities and direct accountability to support our EEO Policies and related procedures.EEO Officer(s) then personally deliver the annual supervisory training program to all company / division offices and large jobsites. Supervisors from across the company are scheduled to attend a program in their vicinity.Follow-up w/ Company /Division Management to ensure that ALL supervisors receive the training every year.	<ol style="list-style-type: none">Support Corporate Services in scheduling all supervisors (i.e. employees wearing white hats) into the annual supervisory training program.Company/Division management team directly supports all training to ensure compliance with all policies.	<ol style="list-style-type: none">All supervisors (i.e. employees wearing white hats) attend the annual supervisory training program. Their signature on the Meeting Confirmation Sheet not only confirms attendance, but also their understanding and commitment to meeting the requirements of a supervisor in supporting our EEO Policy and Procedures.Prior to staffing a job, obtain a Bulletin Board package from Corporate and display all materials.Work with Safety Team to update Bulletin Board packages as they are received. Hold meetings to review the materials with all staff.Complete a meeting sign-in sheet and forward to Corporate Services to document the event.

STEP #8

Contractors and subcontractors must disseminate EEO policies externally by including them in any advertising in the news media (including minority and female news media). Contractors and subcontractors must also provide written notification to and discuss EEO policies with other contractors and subcontractors with whom the contractor/subcontractor does or anticipates doing business. (41 CFR 60-4.3(a)7.h.)

CROWDER ACTION: Disseminate EEO policies externally.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
<ol style="list-style-type: none">Ensure all employment ads and job postings include the following language: EOE M/F/V/D Drug Free WorkplaceInclude the EEO Policy Statement as well as other supporting language in all contracts and subcontracts.Provide EEO language in all Subcontracts.	<ol style="list-style-type: none">Incorporate EEO language (EOE M/F/V/D) in all employment ads and job postings. Maintain copies of each advertisement or posting placed, forward a copy to Corporate Services.Maintain copies of all correspondence with subcontractors that notify them of EEO contractual obligations and commitment to compliance.	<ol style="list-style-type: none">Incorporate EEO language (EOE M/F/V/D) in all employment ads and job postings. Maintain copies of each advertisement or posting placed. Additionally, forward a copy to Corporate.Document attendance and discussion items of meetings where EEO and affirmative action contract obligations are reviewed with subcontract's.

2014 Affirmative Action Plan (AAP) for Equal Employment Opportunity (EEO)

This Affirmative Action Plan (AAP) is in force for all companies and Divisions operating under Crowder Constructors Inc.

STEP #9

Contractors and subcontractors must direct efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students, and to minority and female recruitment and training organizations serving the contractor's recruitment area and employment needs. Contractors/subcontractors must send notice to its recruitment sources for women and minorities announcing acceptance of applications for apprenticeship or other training. This notice must be sent no later than one month before publication of apprenticeship and training announcements. Notices must describe the openings, screening procedures and tests to be used in the selection process. (41 CFR 60-4.3(a)(7.i.))

CROWDER ACTIONS: Document recruitment efforts to minority/female/community organizations, etc. with job notices.

CORPORATE SERVICES ACTIONS		COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
1. Provide guidelines to appropriate Division and Jobsites on notification of recruitment opportunities, particularly in regards to any approved Electrical Apprenticeship Program(s) (ELAP).	1.	Ensure jobsites maintain written records of contact (including written communications, telephone calls, and/or personal meetings) with minority and female community organizations, recruitment sources, schools and training organizations. These records must specify the date of contact, the individual contacted, results of the contact, and any follow-up efforts.	1. Document all contact (including written communications, telephone calls, and/or personal meetings) with minority and female community organizations, recruitment sources, schools and training organizations, specifying the date of contact, the individual contacted, results of the contact, and any follow-up efforts.
	2.	Maintain documentation of contacts with local offices of the state employment services, Private Industry Council, vocational/technical schools with construction related training programs, Displaced Homemaker Programs, Urban League, Opportunities Industrialization Center training and referral program, and other community based organizations.	2. Maintain documentation of contacts with local offices of the state employment services, Private Industry Council, vocational/technical schools with construction related training programs, Displaced Homemaker Programs, Urban League, Opportunities Industrialization Center training and referral program, and other community based organizations.

STEP #10

Contractors and subcontractors must encourage current minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both at the work site and in other areas of the contractor's force. (41 CFR 60-4.3(a)(7.i.))

CROWDER ACTION: Encourage current employees to recruit other employees

CORPORATE SERVICES ACTIONS		COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
1. Provide Six-Step Meeting Guide for Bulletin Board meetings which include language for encouraging the referral of minority and/or female employees or recruitment sources. 2. Evaluate Applicant Flow Logs to determine frequency of referrals, and take corrective action to improve referral process as needed.	1.	Ensure jobsites are referring minorities and females.	1. Utilize Six Step Meeting Guide for Bulletin Board Meetings, encouraging the referral of minority and/or female employees or recruitment sources.
	2.	Evaluate Applicant Flow Logs to determine frequency of referrals, and take corrective action to improve referral process as needed.	2. Capture frequency of referrals on App Flow Logs. 3. Maintain logs of participation in Bulletin Board meetings as well as other meetings and conversations where employees are encouraged to recruit minorities and females.

2014 Affirmative Action Plan (AAP) for Equal Employment Opportunity (EEO)

This Affirmative Action Plan (AAP) is in force for all companies and Divisions operating under Crowder Constructors Inc.

STEP #11

Contractors and subcontractors must validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3, the "Uniform Guidelines on Employee Selection Procedures (1978)." (41 CFR 60-4.3(a)(7).k.) Actions for demonstrating compliance vary by the number of people employed by the contractor. (41 CFR 60-3.15A(1)).

CROWDER ACTION: Validate all tests under UGESP.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
1. Evaluate any testing done at a Company, Division or jobsite level to determine need for validation.	1. Work through Corporate Services before conducting any testing on applicants.	Not applicable

STEP #12

At least once a year, contractors and subcontractors must inventory and evaluate all minority and female personnel for promotional opportunities. Contractors must also encourage these employees to seek or prepare for, through appropriate training, etc., promotional opportunities. (41 CFR 60-4.3(a)(7).l.)

CROWDER ACTION: Inventory all personnel for promotional opportunities once/year.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
1. Develop and manage the Career Builder process each year. 2. Follow-up through Company / Division offices and general superintendents to ensure completion of Career Builder discussions for all eligible employees, and commitment to stated objectives (including completion of On the Job Training Logs). As needed, support managers in identifying training opportunities, scheduling training events, and documenting training. 3. Maintain documentation of all training activities and resulting growth and/or promotions related to the annual Career Builder process.	1. Assist with the Career Builder process by identifying training needs and locating resources to meet those needs and scheduling employees in training as required.	1. Carryout the Career Builder process as required by Corporate in regard to assessing employees' performance, asking for their career goals, providing training requests, and documenting all training as assigned. 2. All Career Builder/training documents must be sent to Corporate Services in a timely fashion.

2014 Affirmative Action Plan (AAP) for Equal Employment Opportunity (EEO)

This Affirmative Action Plan (AAP) is in force for all companies and Divisions operating under Crowder Constructors Inc.

STEP #13

Contractors and subcontractors must ensure that seniority practices, job classifications, work assignments and other personnel practices do not have a discriminatory effect, by continually monitoring all personnel and employment related activities to ensure that EEO policies and contractors' obligations under the contract specifications are being carried out. (41 CFR 60-4.3(a)7.m.)

CROWDER ACTION: Ensure that internal personnel activity (e.g., seniority practices) do not have a discriminatory effect.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
<ol style="list-style-type: none">1. Conduct an Adverse Impact Analysis, Fair Pay Analysis and Employee Utilization Report annually to evaluate progress to affirmative action goals and fair standards for women and minorities through seniority practices, classifications, work assignments, and pay structure.2. Audit existing personnel practices periodically to ensure that EEO obligations are being adequately addressed and incorporated.3. Audit current policies on a regular basis to ensure that all factors are applied equally.4. Meet with Senior Management team at least annually to review Affirmative Action Plan and progress to goals.	<ol style="list-style-type: none">1. As directed by Corporate EEO Officer, assist in any investigations or evaluative activities related to our EEO Policy and progress to goals.2. (At least annually) Work with EEO Officer to review Affirmative Action Plan and progress to goals, and to identify actions to correct issues or increase utilization.	<ol style="list-style-type: none">1. As directed by Corporate Services, assist in any investigations or evaluative activities related to our EEO Policy and progress to goals.

STEP #14

Contractors and subcontractors must ensure that all facilities and company activities are non-segregated except that separate or single-user toilets and necessary changing facilities designed to assure privacy between the sexes shall be provided. (41 CFR 60-4.3(a)7.n.)

CROWDER ACTION: Ensure all facilities and company activities are non-segregated.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
<ol style="list-style-type: none">1. Provide oversight to the AAP goals, including any activities related to providing jobsites and offices with proper accommodations.	<ol style="list-style-type: none">1. Provide adequate toilet and changing facilities to all employees to guarantee privacy between the sexes.2. Maintain a copy of all flyers, posters, emails, etc. announcing company sponsored events such as training, parties, and/or picnics. Documentation must reflect equal dissemination to all employees.	<ol style="list-style-type: none">1. Provide adequate toilet and changing facilities to all employees to guarantee privacy between the sexes.

2014 Affirmative Action Plan (AAP) for Equal Employment Opportunity (EEO)

This Affirmative Action Plan (AAP) is in force for all companies and Divisions operating under Crowder Constructors Inc.

STEP #15

Contractors and subcontractors must document and maintain records of all solicitations of offers for subcontractors from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations. (41 CFR 60-4.3(a)(7)(o).)

CROWDER ACTION: Maintain records of solicitations of offers from prospective minority and female subcontractors.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
	<ol style="list-style-type: none">1. Maintain documentation (letters or other direct solicitations) for subcontractors from minority or female contractors with a record of the specific responses and any follow-up activities to obtain quotations.2. Maintain a list of subcontracts that have been awarded to minority and female contractors or suppliers, including the dollar amounts involved.3. Maintain copies of solicitations sent to minority and female contractor associations or other business associations and state or local governmental agencies.	

STEP #16

Contractors and subcontractors must conduct a review of all supervisors' adherence to and performance under the company's EEO policies and affirmative action obligations. (41 CFR 60-4.3(a)(7)(p).)

CROWDER ACTION: Review supervisors' adherence to EEO/AA obligations.

CORPORATE SERVICES ACTIONS	COMPANY / DIVISION ACTIONS	JOBSITE ACTIONS
<ol style="list-style-type: none">1. Notify managers of upcoming annual reviews for all employees, and maintain copies of performance reviews conducted.2. Maintain documentation of all meetings, interviews, reports, letters, etc. where supervisors and management personnel review policies and practices relating to the EEO policy and affirmative action obligations including but not limited to Bulletin Board Meetings, Anti-Harassment Training, Open Shop Training, Ethics Training, and Career Builder training.3. Maintain CTOs of instances where supervisors and managers have been notified of their actions impacting the Company's EEO policies and Affirmative Action Plan either adversely or positively.	<ol style="list-style-type: none">1. Ensure that performance reviews are completed on each employee annually. Conduct reviews as required. Send copies of each review to Corporate Services.2. Document participation of all meetings, interviews, reports, letters, etc. where supervisors and management personnel review policies and practices relating to the EEO policy and affirmative action obligations including but not limited to Bulletin Board Meetings, Anti-Harassment Training, Open Shop Training, Ethics Training, and Career Builder training. Forward all documentation to Corporate.3. Complete CTOs in stances where supervisors and manager have been notified of their actions impacting the Company's EEO policies and Affirmative Action Plan either adversely or positively. Forward CTOs to Corporate Services.	<ol style="list-style-type: none">1. Conduct performance reviews on each employee annually. Send copies of each review to Div office.2. Document participation of all meetings, interviews, reports, letters, etc. where supervisors and management personnel review policies and practices relating to the EEO policy and affirmative action obligations including but not limited to Bulletin Board Meetings, Anti-Harassment Training, Open Shop Training, Ethics Training, and Career Builder training. Re: North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements

Attention: Dorothy Currin

Crowder Construction Company is preparing a bid for the North and South Durham Water Reclamation Facilities Chemical Feed Systems and Nutrient Related Improvements project in Durham, NC. We have broken down or combined elements of work into economically feasible units in order to facilitate Small Disadvantaged Business Enterprise (SDBE) participation. Small Disadvantaged Business Enterprises and all others are encouraged to participate in the bid process for the following:

SCOPES OF WORK (including, but not limited to): abatement, carpentry, clearing & grubbing, concrete, crane rental/rigging, demolition, doors/windows, earthwork, electrical, erosion control, fencing, formwork, grading, hauling, HVAC, insulation, landscaping, masonry, metals/fabrication, painting, paving, plumbing, power washing, rebar/tying, roofing, signage, sludge removal, storm, and surveying

Bid Proposals will be received by Crowder Construction Company at the following address:

Crowder Construction Company
1111 Burma Drive
Apex, North Carolina 27539
Telephone: (919) 367-2000; Direct Fax Estimating: (919) 367-2097
Contact: Tim Heule
Bid Date: January 16, 2014 2:00 PM

Please be advised the above bid date and time is the deadline for the General Contractor's bid. We encourage you to provide us your quote **at least 24 hours** prior to this date and time so that we can clearly understand and evaluate your bid to us. We request SDBE companies to include a copy of their SDBE certificate with their quote.

Plan Locations: Complete sets of bidding documents may be inspected at the following locations: AGC, Raleigh, Greensboro, & Charlotte, NC; City of Durham, Durham, NC; McGraw Hill Dodge online; Hispanic Contractors Association of the Carolinas, Raleigh, NC; Raleigh-Durham Minority Business Development Center, Durham, NC; and Hazen and Sawyer, Raleigh, NC. Plans and specifications may also be viewed at Crowder Construction Company at the address listed above or downloaded at Crowder's FTP website.
